GRACE CAFÉ

Elementary Healthy Snack Options

For the 2019/2020 school year we are introducing snack options for elementary students. You can order from your choice of 3 snack options for your child and either a small bottled water or juice box or Grace Café staff will deliver your child's snack to their classroom prior to the class snack time. There are 3 healthy options to choose from that will change periodically. Each snack option will include 2 components and a small bottled water or juice box and will only cost \$1.50 per snack! When ordering on RenWeb look for SNACK OPTION, make your selection and remember to select a small water or juice box labeled SNACK OPTION as well.
