**Transportation Services to Moore & Harnett Counties
School Year 2020-2021**

Dear Parents,

Thank you for the opportunity to partner with you in the education of your children. We are excited to offer a transportation service to our families in the Moore and Harnett County areas. If you are planning to send children to school on our transportation services, please complete the registration form and turn it into the school office.

We ask that you be prompt to drop off and pick up your child(ren); however there is a grace period of 5 minutes, and the bus driver will leave no child unattended.
